The EUT described above has been tested by us with the listed standards and found in compliance with the council Radio Equipment Directive 2014/53/EU.

This certificate is part of the full test report(s) and should be read in conjunction with it. The referred test report(s) show that the product complies with standard(s) recognized as giving presumption of compliance with the essential requirements in the specified European Directive.

This certificate does not imply assessment of the production of the product.

The CE marking may be affixed if all relevant and effective European Directives are applicable.
